

KANGEN UKON[®]

Redefining Wellness

FROM OKINAWA TO THE WORLD: KANGEN UKON®

What is Turmeric-Ukon?

Turmeric, known in Japanese as Ukon, a golden root from the ginger family, turmeric has been prized for centuries in Asian cultures for both culinary and wellness use. Its key compound, curcumin, is valued for antioxidant and anti-inflammatory properties.

What is Kangen Ukon®?

A premium turmeric supplement made with antioxidant-rich ingredients and **alkaline-reduced Kangen Water®** — the first softgel of its kind. Formulated to support natural wellness.

Made in OKINAWA

Cultivated in Yanbaru, Okinawa's lush northern region our turmeric is completely free of pesticides and chemicals for unmatched purity and quality. Every harvest is processed at the Enagic Ukon Factory (Kangen Foods Okinawa), ensuring full control, traceability, and uncompromising quality from soil to capsule.

HOW UKON DD OR SIGMA HELPS MAINTAIN YOUR SP STATUS

✓ Each active Ukon ID# protects itself and one (1) linked account.

✓ To activate SP Protection, your account must make a direct Ukon purchase, names must match.

✓ If you have multiple accounts, an Ukon purchase is required for each account.

UKON COMMISSION PASS-UP

❌ No Active Ukon ID = No Ukon Commissions

Just like with Kangen Water, Enagic pays 8 points for every Ukon SIGMA or Ukon DD sale.

These commission points are paid from the bottom up, until all 8 points are distributed to whom has **Active Ukon** accounts.

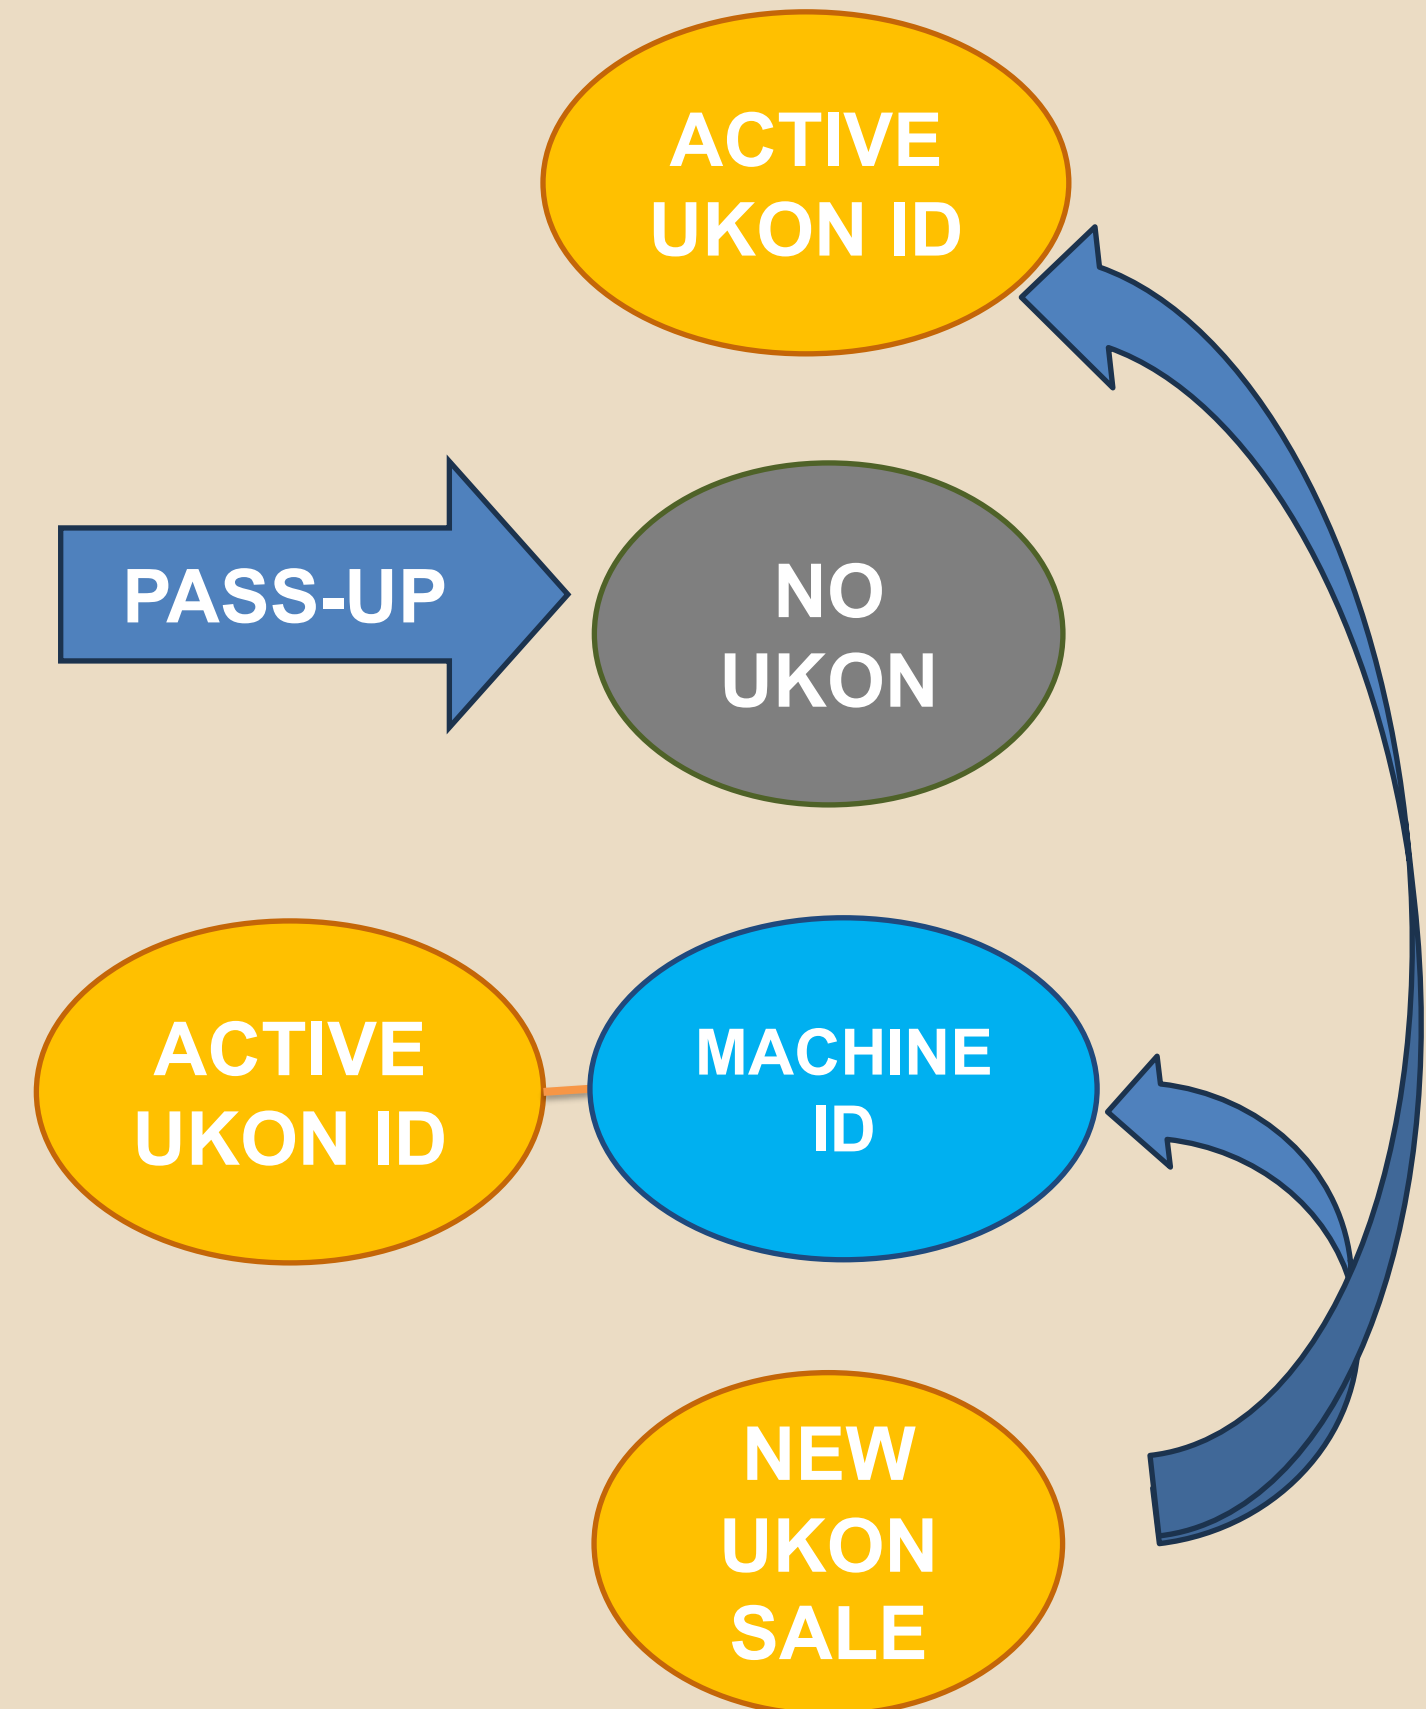

That means if you're not enrolled in Ukon DD or Sigma, your eligible Ukon commissions will pass-up to your next qualified upline.

Commission

\$40 per points for UKON DD,
\$115 per points for UKON SIGMA

If you **do not have an active UKON**, you will:

- ❌ Miss out on Ukon commissions
- ❌ Lose Ukon sales

UKON DD PROGRAM

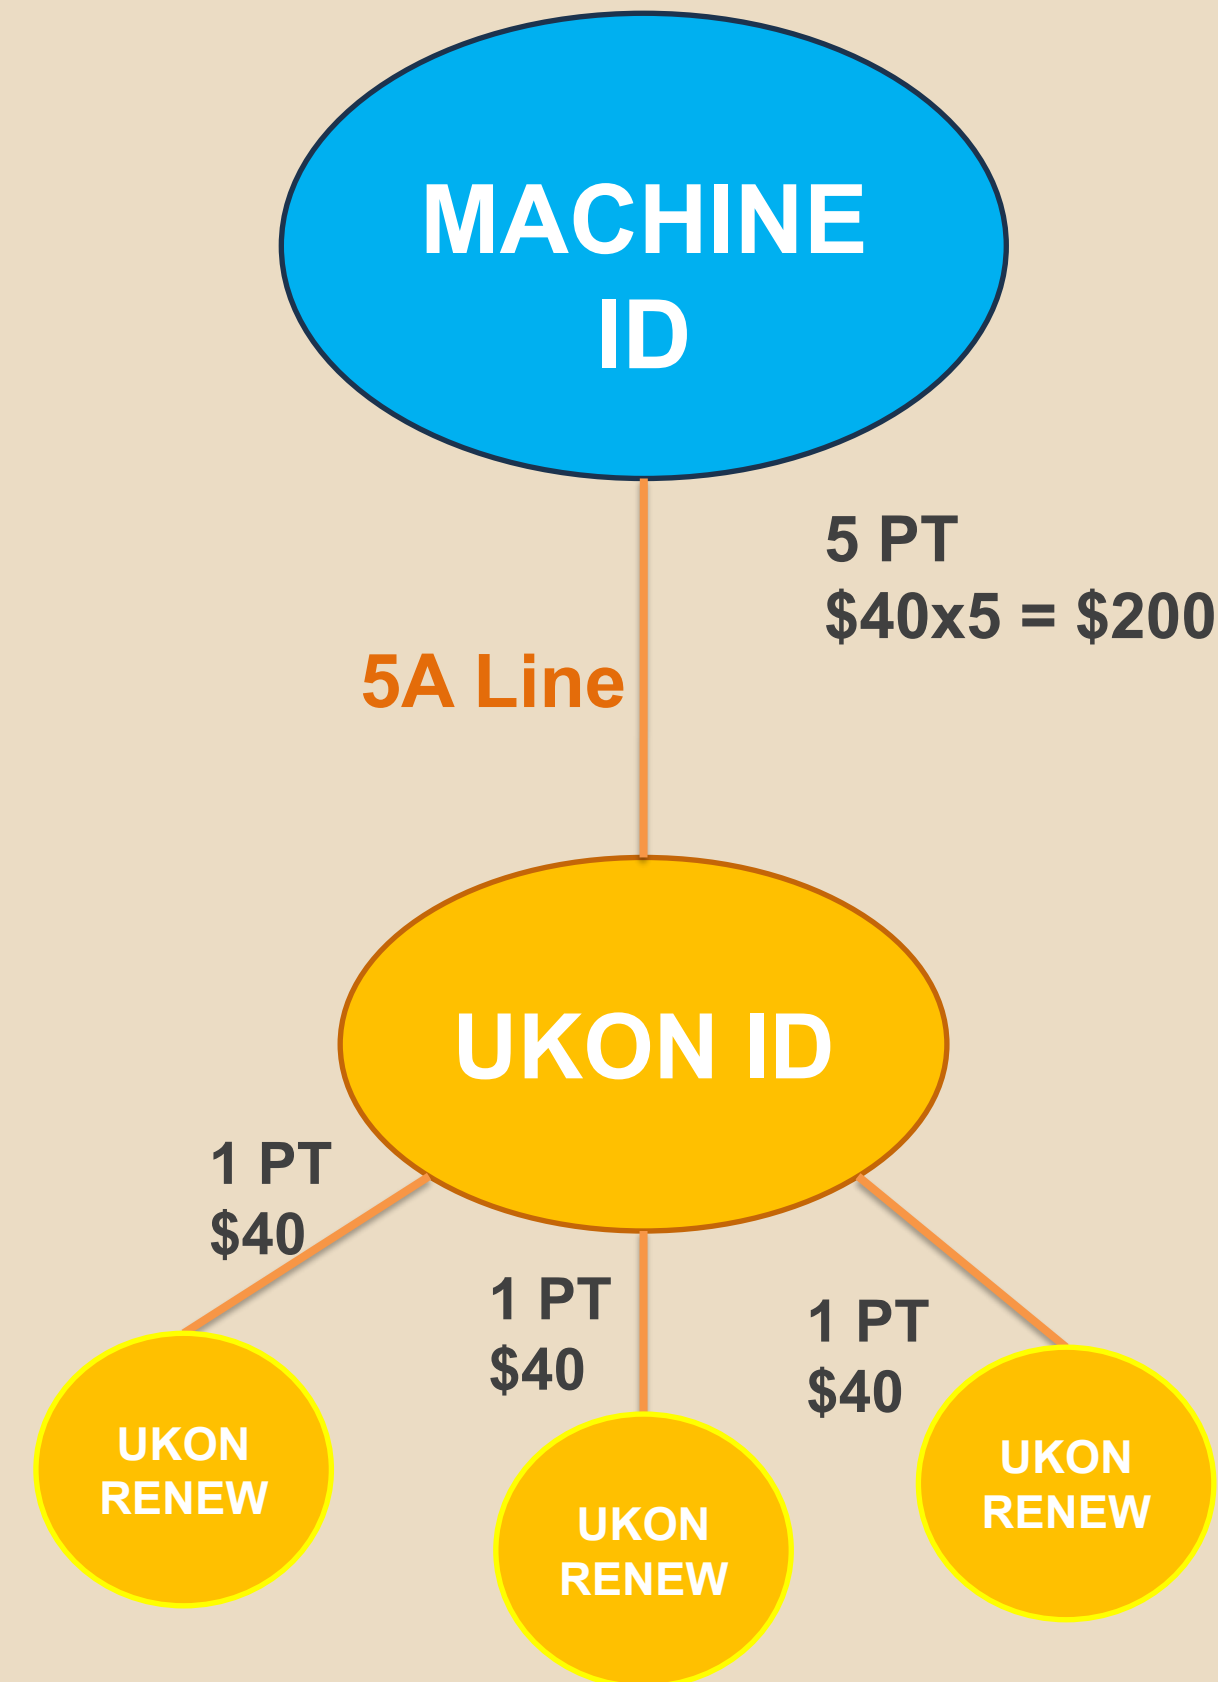

Group Sales Total and Faster Rank UP Promotion

If cancelled before completing 1 full year, the Ukon DD account(s):

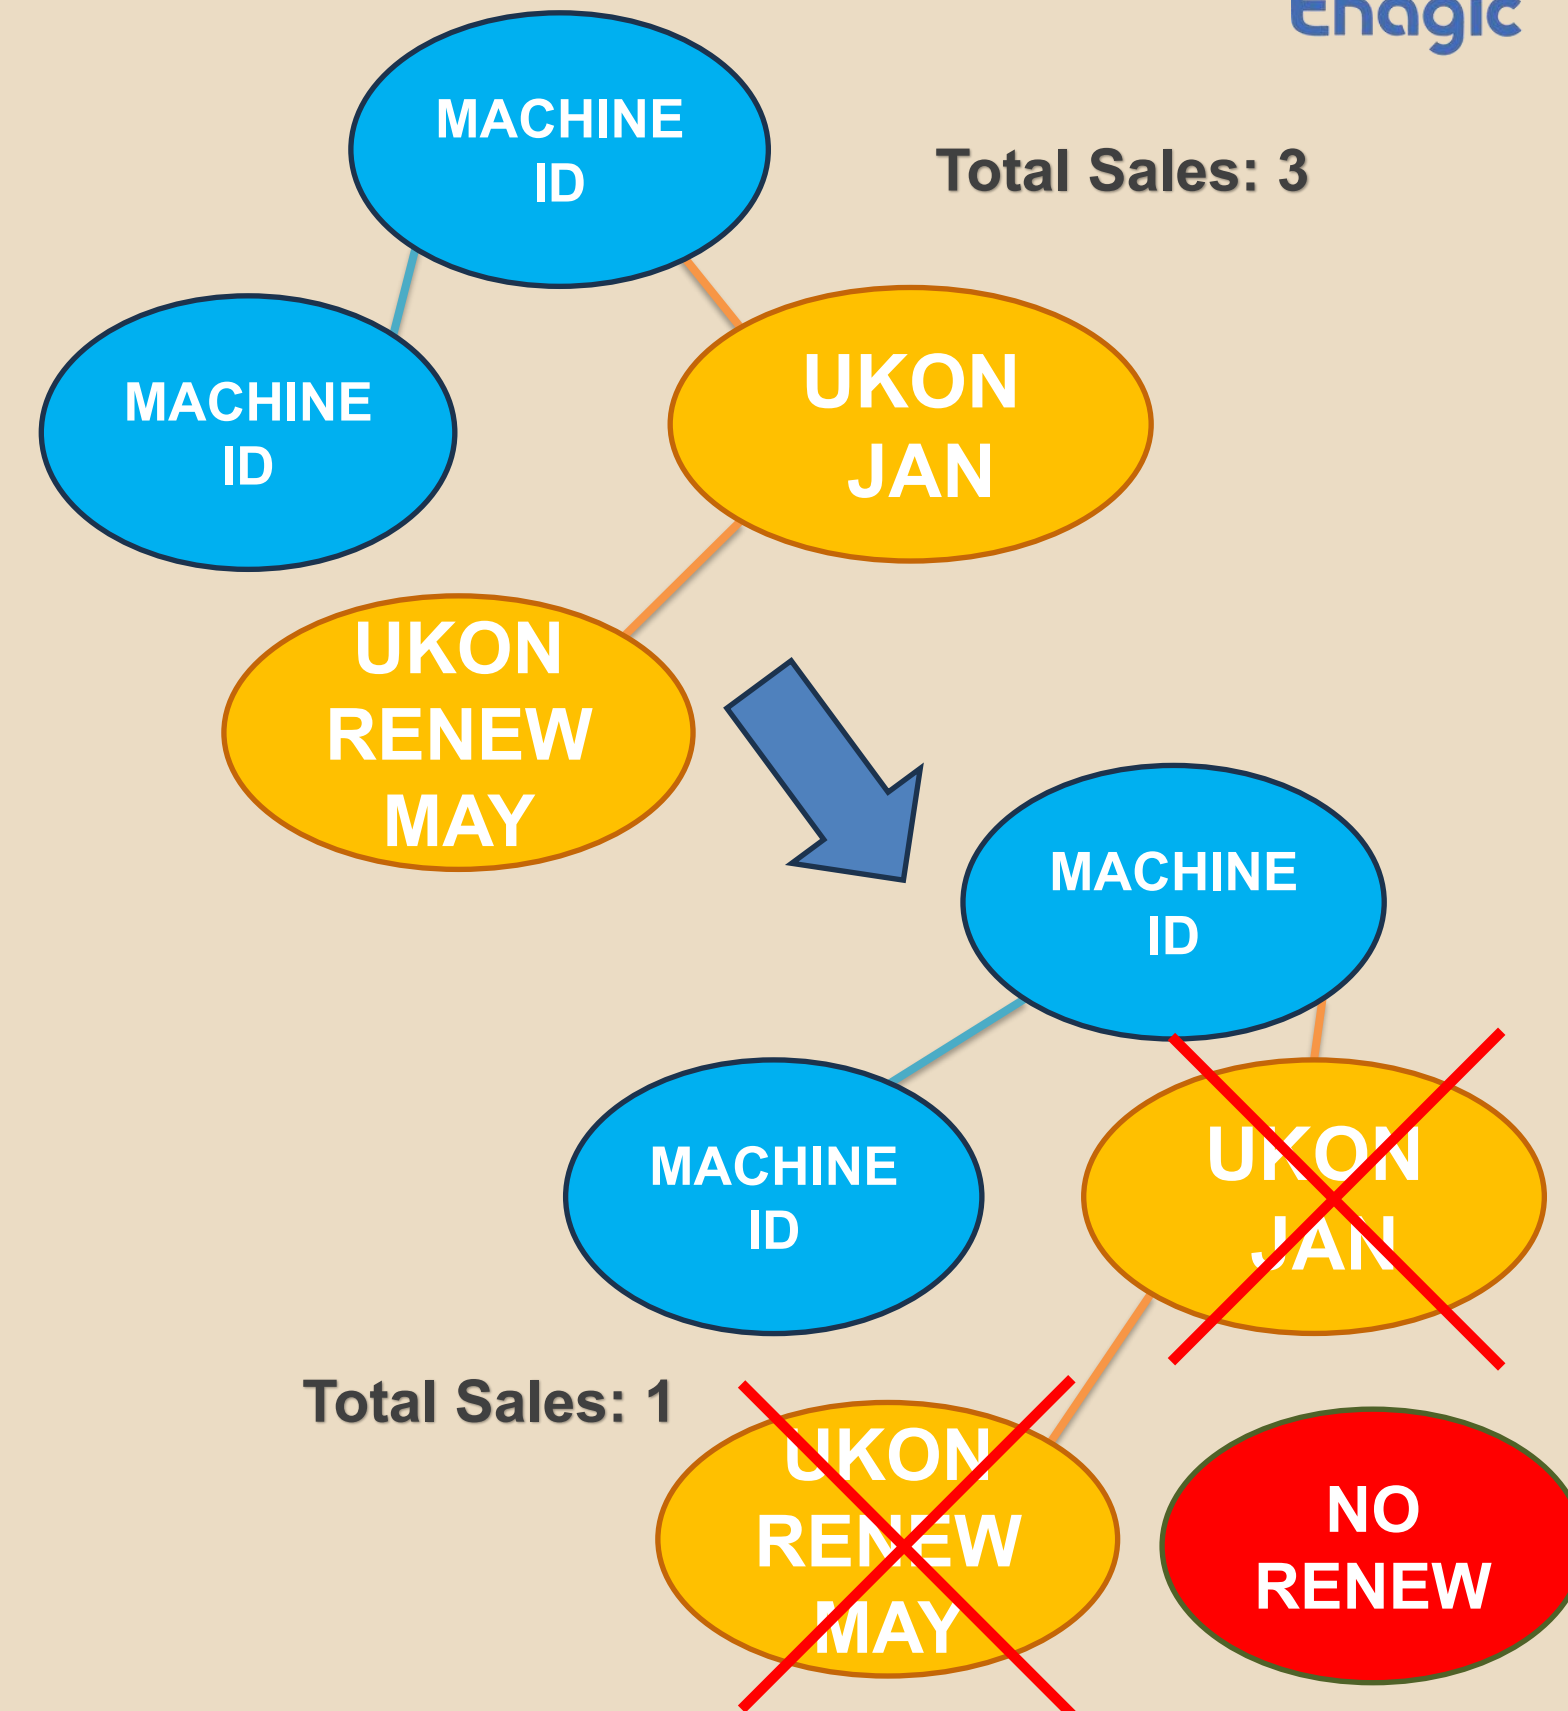

- ✗ Will be **removed** from your sales count
- ✗ Will **lose distribution rights** (cannot sell machines or Ukon products)

Example:

If a Distributor starts Ukon DD in January, renews in May, but does not renew in September, the 1-year commitment is not fulfilled.
